The **Folkus**
 Project of Central New York
 great acoustic music
 pure and unpasteurized

THE FOLKUS PROJECT has been bringing great folk and acoustic music to Central New York for over two decades. You can help continue this tradition through your member support.

Folkus is a not-for-profit organization, run entirely by volunteers committed to bringing a wide variety of live music to our area. This includes old favorites, up and coming artists, and seasoned performers new to our area - all at affordable prices. Your membership will help in many ways, and will also make you part of a community of folks who share a love of music and the many gifts it has to offer.

THERE ARE MANY BENEFITS OF BECOMING A FOLKUS MEMBER:

- Discounts on all shows
- Most preferred seating (with advance sale tickets)
- Early notification of season schedule and special shows
- Special annual member event
- *And perhaps most importantly,* the satisfaction of being part of a community that appreciates live acoustic music, and is helping to support and ensure its future

YOUR MEMBERSHIP WILL:

- Expand the range of performers we can bring to Folkus
- Help to meet increasing operating expenses
- Help keep ticket prices affordable while fairly compensating the artists
- Provide added marketing funds to reach a wider audience
- Make special programming possible, such as accompanying music workshops
